EVERYDAY CONNECTIONS - SILK ROAD AREA

The K people are hospitable and love to include the team in their family events. The team have learnt over the years that the long journey to faith begins with authentic relationships.

Eliza has connected with her neighbour who recently asked her to drive her to a hospital two hours away to give birth. Petra is catching up regularly with another mother over a cup of tea. Roz is continuing to deepen friendships with K women which were formed with former cross-cultural workers.

Pray for the team as they intentionally involve themselves in K events. Pray for these workers as they spend time one on one with K friends and that relationships will deepen, trust will develop and conversations about faith flow naturally.

Prayers

B PEOPLE

Morris is currently spending time in South Asia. During this time he will be attending the staff conference of our partner NGO and having important discussions regarding strategic income generation to support development projects among the B people.

For Prayer:

- Wisdom and clarity for financial discussions
- Morris' visit will be an encouragement to workers

B PEOPLE

After decades of work, the translation of the Bible for B people has been printed and progress is being made for the online version. Throughout the whole translation, language was carefully chosen to be appropriate for the B reader's context.

For Prayer:

- Copies of the Bible will reach those who need it and that, through this translation, many will be drawn to God
- Online version will be completed soon and effective in making the Word accessible to many B believers and seekers.

B PEOPLE

Phil continues to visit projects run by our partner NGO, working to ensure their efficiency as well as encouraging the workers involved. Within communities, these projects educate, upskill and empower B people to better their lives. They are also a platform for workers to build relationships and share the message of Jesus. Recently Phil visited a project in a community that is flooded each year. With the support of the project the women's groups have had their central group registered with the government, giving them status and a basis to claim services from the local government departments. This group represents around 240 families in the community.

For Prayer:

- Projects to continue to transform B people's lives
- Wisdom for Phil as he works with project staff
- Opportunities for faith conversations as staff build relationships with B people

YAO

Ben and Sam have left Australia to return to Mozambique and re-join the team serving among the Yao.

For Prayer:

- Guidance as they seek to re-establish strong relationships with Yao friends
- Smooth transition back into life in Mozambique

S.I PEOPLE

Candidates **Daz and Bee** are travelling to South East Asia next week to visit the team and their future place of ministry among the S.I people.

For Prayer:

- The trip will help them prepare well for cross-cultural life
- Wisdom and discernment as they observe what God is already doing among the S.I people
