Thousands queue for food rations in Syria

The tale of two queues

Queue 1. People lined up to purchase the latest iPhone 6. Internationally Apple sold 14 million for a return of \$7.8 billion in the launch weekend.

Queue 2. People lined up waiting for food rations in Syria. There are 11 million people displaced in Syria and Iraq seeking humanitarian aid. United Nations has struggled to raise \$2 billion in aid.

This material is taken from an article published on the Baptist World Aid website. Food for thought this week and every week.

All welcome, including friends, family and supporters,
Followed by supper.

This is a special time where all Holroyd SRE volunteers, both primary and high school, come together and are commissioned into their roles for the year. They are prayed for, and as Psalm 133 states, when people of the Lord unite, there is blessing.
